

MyEdBC Address Do's and Don'ts

- 👉 Validate Street Address field
- 👉 Validate City Prov PC field
- 👉 Use a "-" between unit numbers and street addresses without any spaces
- 👉 Only share addresses with students that are connected to each other (siblings) not their contacts
- 👉 Street, Drive, Avenue (etc) must be abbreviated to St, Dr, or Ave according to Canada Post regulations (see link) and **do not** make them all caps (ie. ST, DR, AVE)
- 👉 **Do Not** Click the "user validated box when validating the address or city/prov/pc fields
- 👉 **Do not** use # when there is a unit number in the address
- 👉 **Do not** use "st," "nd," "rd," or "th" at the end of the street name (ie. 216th, 191st, 232nd, 203rd)
- 👉 **Do not** put a space between the Street number and letter (ie. 232A, not 232 A)
- 👉 **Do not** use the 'pick list' 🔍 to choose an address. This is the **only** time you'll ever not use the pick list to make a selection!
