DID YOU KNOW?

- The Ministry of Education has a [Standards Manual](#)
- The Ministry of Education also has an excellent [information site for School Users](#)

Just as the seasons have changed, so has our MyEdBC Helpdesk.

Natalie Baxter retired at the end of April, and I have stepped into the position of SIS Coordinator. Now we are waiting to find out who the lucky person will be to join me here as the Data Analyst on our MyEd team.

In the meantime, please continue to look through your EOYR filters to assist with preparing your school data for End of Year Rollover. Dot those i's and cross those t's. Clean data will assure that we are not the district who "Breaks EOYR". (Yes, that's a thing).

If you have any questions, or need some support, please reach out by creating a [helpdesk ticket](#) or via email to myedbchelpdesk@sd42.ca and I will be happy to help. And, if you mention that "One is the loneliest number", I'll send you a small token of my appreciation.

Warm regards,

Serena and ?
